Certification of Smoke Detectors, Carbon Monoxide Detectors, and Water Heater Strapping for California

P & M Vendors should provide a signed copy of this statement to the Broker on all assets located in the State of California.

I, William Smith , on behalf
of JP Thomas ,
hereby advise that the "Water Heater is braced, anchored & strapped" according to CA Health & Safety Code 19211 and all smoke detectors and carbon detectors
at: 1234 Easy Street
Everyland, NC 28111
are operable, approved & listed by the State Fire Marshall and installed with the State Fire Marshalls Regulations (Health & Safety Code 13113.8).

Signature: William Smith **Date:** April 25, 2011
